Our Mission

Daly City Partnership (DCP) is a non-profit organization with over 26 years experience of meeting the needs of children and families within the Daly City community and San Mateo County.

A Letter from the Executive Director

The COVID-19 pandemic has caused a major health and economic shock, propelling North County into an unprecedented crisis. Daly City Partnership has been at the forefront, responding to the rising community need. We never closed our doors, while increasing our reach and ability to serve our families, seniors and students. We are proud of what we have accomplished this past year and are confident that we are ready to serve the communities of Broadmoor, Colma and Daly City post pandemic.

Through this year's extensive outreach, our team bore witness to great hardship – often serving as a first point of contact and support for issues of food insecurity, learning loss, rental and utility assistance and shelter need, mental health crises, and then, Covid-19 testing and vaccinations.

The year also brought great achievement as we helped a larger population than ever before, in some cases at exponential levels. The Partnership has been able to adjust its programs to better serve our communities during the pandemic by increasing our scope and reach. To help fund this expanding community need, the Partnership has been able to secure over \$800K in additional funding through our relationships with foundations, state and local government, and private donors.

This is only the start though. We know that the pandemic has reshaped our lives for the foreseeable future. We are ready for the next challenge and will answer the call.

Mike Stancil

Accomplishments During the Pandemic

Covid 19 Testing & Support

- Distribute free personal protective equipment to our community
- Perform 10,000+ Covid-19 tests
- Provide Covid-19 rental assistance relief

Food Program

- 1,900% increase in households served
- 1,000+ households served every week and 650 households served on Mondays drive-thru
- Doubled operating food distribution to 4 days each week

School Support Programs

- Pivoted to virtual learning, 1:1 tutoring and created new mentorship programs
- Mental health services for students and families increased by three-fold

Daly City Community Service Center (DCCSC)

Daly City Community Service Center (DCCSC)

provides basic safety-net services *including the dramatic increase in family and individual need caused by the Covid 19 pandemic*. From the start, our community support never took a day off and continued to offer the following free services:

- Case management virtual & outdoors
- Rent/Utility financial support
- On-site emergency food pantry
- Food distribution program - 4x each week
- On-site Covid-19 testing
- Covid-19 information
- Shelter referrals
- Toiletries, clothing, and household items support
- Diaper Club Program

Our Second Home (OSH)

Our Second Home (OSH) is a family-oriented center dedicated to improving family lives through the following free or low-cost services. Offered during the pandemic:

- On-site subsidized morning preschool
- Virtual English classes for adults
- Care coordination support/Mental Health services
- Virtual referral assistance
- Covid 19 testing outreach
- Covid 19 rental assistance information

Healthy Aging Response Team (HART)

Healthy Aging Response Team (HART) is a program of dedicated volunteers that connect the elderly and disabled persons with needed services like transportation, in-home support, food, and shelter. During the Covid-19 pandemic, HART accomplished the following:

- Homebound senior meals delivered
- Virtual support and referral
- Outreach and check-ins
- Food distribution program increase
- Health & wellness
- Community center support

After-School Academic Program (ASAP)

After-School Academic Program (ASAP) quickly transitioned to support the needs of children and families by accomplishing the following during the Covid-19 pandemic:

- Transitioned over 24 academic after-school on-site programs to online distance learning
- Coordinated 28 online tutoring programs for homeless, foster youth, and students in danger of retention. Provided tutors for EL students in English, Spanish, and Mandarin.
- Established "Knock and Talk" home visit support with hand-delivered backpacks filled with school supplies, headphones, leveled reading curriculum, and math manipulatives to each student's house
- Offered a series of virtual enrichment classes in drawing, cooking, girl scouts, and movement to nearly 1,000 students
- Supported the DCP Community Center with our academic instructors to help address the growing need for food

Spotlight on Volunteers

A special thanks:

To our dedicated volunteers Jessica, Suzanne, Elida, and many others who stepped up to deliver food to homebound seniors starting during the early days of the pandemic.

To Marie for organizing electronic forms and systems for our food distribution.

To a volunteer who created a new phone system and recruited translators to make services more accessible to the public during the pandemic.

To everyone else who has worked tirelessly for months -- some having worked an entire year -- with our partnership.

We appreciate all you have done!!

Donate or Volunteer Today!

Advocacy and action are our goals but our budget and resources are limited. Here's how you can support us:

VOLUNTEER. Many volunteer opportunities are always available.
